

The following list of available refurbished EXFO instruments is updated daily. Once an order is placed for a refurbished unit, the equipment is sent to our service center to ensure proper working conditions. Signs of prior use may be visible. Demo equipment is offered on a first-come first-served basis. Availability and pricing are not guaranteed. Calibration of Transport & Datacom refurbished demos is available at an extra cost.

For more information about refurbished EXFO instruments, contact our [Sales representatives](#)
